# October 2018 – a milestone achieved together with Export Credit Norway:

## Export Credit Norway finances the sale of fish farming equipment to Irish salmon farm

News by Editorial staff - 12 October 2018

It's the first time the government-owned company, Export Credit Norway, has financed a project in Ireland.

- Size: Fish farm with 2,500 - 3,000 ton annual production
- Product delivered: Cage nets from Mørenot Aquaculture.
